

**THINGS THAT I CAN ADVERT**

Name: \_\_\_\_\_

What kind of adverts can you watch on TV? Are they also advertised on the radio on on the Internet? In teams, complete the following chart thinking about the type of product and some trade marks that are already being advertised. There are some categories already chosen for you, but you can think of any other category you may be interested in:

| THINGS THAT I CAN ADVERTISE           |                 |                 |                 |
|---------------------------------------|-----------------|-----------------|-----------------|
| TYPES OF PRODUCTS THAT ARE ADVERTISED | STUDENT 1 NAME: | STUDENT 2 NAME: | STUDENT 3 NAME: |
| CARS:                                 |                 |                 |                 |
| PERFUME:                              |                 |                 |                 |
| ELECTRONICS:                          |                 |                 |                 |
| CLOTHES:                              |                 |                 |                 |
| TOYS:                                 |                 |                 |                 |
| WASHING & CLEANING PRODUCTS           |                 |                 |                 |
| YOUR OWN CATEGORY                     |                 |                 |                 |
