

THINGS THAT I CAN RECYCLE, REDUCE AND REUSE

Student's name: _____

What kind of objects can you recycle, reduce or reuse?

Do you already recycle some of them? Which one/s?

In teams, complete the following chart thinking about the type of things that are already being recycled and some others that you can also recycle.

There are some categories already chosen for you, but you can think of any other category you may be interested in:
